Copyright. It is a condition of publication that authors vest copyright in their articles, including abstracts, in the Australian Institute of International Affairs. This enables us to ensure full copyright protection and to disseminate the article, and the journal, to the widest possible readership in print and electronic formats as appropriate. Authors may, of course, use the article elsewhere *after* publication without prior permission from Carfax, provided that acknowledgement is given to the journal as the original source of publication, and that Carfax is notified so that our records show that its use is properly authorised. Authors are themselves responsible for obtaining permission to reproduce copyright material from other sources.

The journal is published three times a year in April, July and November. These three issues constitute one volume.
